Gordan Thibedeau, president and CEO of the United Way of Larimer County, starts a 2010 Subaru Forester for Carol Gonzalez who won the vehicle but was unable to win the car in person during the Dellenbach car giveaway at the South College Avenue car dealership Thursday. Gonzalez of Fort Collins and nine others had a chance to win the car during the giveaway. Dellenbach has donated a car for the past 22 years as an incentive for the community to donate to the United Way of Larimer County. The first nine keys did not start the car.
