

The heart of a volunteer is not measured in size, but by the depth of the commitment to make a difference in the lives of others. -- DeAnn Hollis

From our hearts to yours, the staff at United Way of Larimer County would like to thank each and every one of you for your commitment to the annual campaign. Without the dedication, passion, enthusiasm and creativity that you put in, our fundraising efforts would not be a success.

This year we not only saw an increase in donors in many of our campaigns, but we also had some new companies running campaigns. Special events this past year were a big hit and we noticed not only an increase in the number of special events but a boost in the spirit, creativity and excitement about giving at these events. We were once again amazed by the generosity of our community!

Thank you for a terrific 2009 and we look forward to working with you again in the coming campaign!

Warmly,
Jane, Lynn, Chris, Sarah and Nola
